

## A Note From The Board

As we begin 2011, the Board of Directors is compiling suggestions for improving TCC. Suggestions are being collected and reviewed to develop priorities, timelines and budget.

The Board welcomes your suggestions. If you want to share an idea, please tell Craig or a board member. We are also taking suggestions through e-mails at [tuscarora@chatmosscable.com](mailto:tuscarora@chatmosscable.com).

### Board Approves Expansion & Renovation of Exercise Rooms

At its January meeting, the board approved plans to expand the exercise room and make it more user friendly. A copy of the plan is posted on the bulletin board. Suggestions are also being taken as to how to update the tap room.

# Thank You to the Volunteers

We want to say a special thank you to the members who have been volunteering their time and/or donating money for special improvements to TCC. If you know of someone who has not been recognized, please contact Craig.

Jim Lowe donated and installed the AC units in the pool house. Skip Walker donated his time and materials and built the new pump house. Butch Cassada, Stan Cocke, John Barbour, Vern Cowan, H.T. Ricketts, and Vick Hardy painted the roof on the cart shed. Several members got together and purchased the new 55" TV in the card room. Most of them belong to the two scramble groups headed by Danny Moon and Stuart Shields. These two groups are also paying the monthly fee for HD. Buddy Grant (not a member) volunteered the use of his bucket truck and helped replace the rope for the flag pole thanks to contacts made by Wayne Arnn. Raymond Newman helped with some electrical work, and Derek Edmunds worked several days on green #2.
