

From the Manager

Here it is February already. A new golf season will be here before we know it. I would like to pass on several reminders to the membership. We still have private cart spaces available. Anyone interested may call the Pro Shop for details. I would like to remind members to please sign the register book upon arrival along with the time of day. This helps us monitor the amount of play we have and lets the Pro Shop staff know you are on the premises. In closing, members, please yield to the green post when you are playing. Always exit to the cart path when you reach that point. Remember, just because you are in the rough does not give you the right to drive beyond the post, and, or around the greens. Have a great February!

*Thank you,
Pete*

Welcome!

We'd like to welcome our newest members:
Dr. & Mrs. Christopher Payne.

TLGA News

CALLING ALL LADY GOLFERS!

Please join us for our meeting on Sunday, February 12th at 3:00 p.m. We are anticipating a great season with our new greens and other course improvements, but we need support from EVERYONE!

Also remember your dues of \$30 plus \$2 for "Hole In One" (this has carried over for a few years now). We should have already paid our dues, but we can still get into the book if we catch up now.

So bring your ideas and enthusiasm to help make this the most fun year ever!

*Thank you,
Lisa Dixon, TLGA President*

From the Beautification & Green Committee

To Fellow Tuscarora Members.

With the start of the new year and spring rapidly approaching I can sense the anticipation of all the membership to finally see the final product of our new MiniVerde greens. Although the investment was huge and all members sacrificed, I deeply believe looking back years from now everyone will be glad the investment was made. I realize that we all will be inconvenienced somewhat this winter regarding covering the greens during freezing conditions, but it has been a unanimous decision by your Board of Directors to have Zane err to the side of caution when it comes to covering the greens this first year. I'm sure everyone remembers that the MiniVerde was planted very late in the season and has not had much time to expand its' root structure before cool weather came. Thank goodness we did have unseasonably warm weather up to date, but by no means do we want to risk winter kill. A good rule of thumb

is if the weather is forecasted to be in the 20's at night the greens will definitely be covered, warmer forecasts will be at Zane's discretion. On cold days it would probably be a good idea to call the pro shop to make sure the golf course is open.

With all that said I have currently formed the Beautification and Green Committee and have enlisted the help of Gordon Windhorn, Gayle Reynolds, Bobby Cadieux, Chris Baker, and Derek Edmunds. This group along with myself will fairly represent the membership and will also be approachable to the membership at large. Please feel free to express your thoughts with me or any of these members and we will have your recommendations brought up to the full committee.

If you have any questions, recommendations, or items of concern, please do not hesitate to contact me at kgvanasch@gmail.com

*Beautification and Green Committee Chairman,
Keith Van Asch*

A Word to the Wise

"Only a stupid golfer throws his club behind him. The smart golfer throws his club ahead so he can pick it up on the way to the next hole.

Always remember: Golf clubs don't float."

Valentine's Day Superstitions

- It is said that the kind of bird a girl watches on Valentine's Day predicts her future husband. For instance: Sparrow: a poor man, Owl: remain spinster, Bluebird: a happy man, Blackbird: a priest or clergyman, Crossbill: an argumentative man
- If an apple is cut in half, the number of seeds found inside the fruit will indicate the number of children that individual will have.
- To be awoken by a kiss on Valentine's Day is considered lucky.
- On Valentine's Day, the first guy's name you read in the paper or hear on the TV or radio will be the name of the man you will marry.
- If you see a squirrel on Valentine's Day, you will marry a cheapskate who will hoard all your money.
- If you see a goldfinch on Valentine's Day, you will marry a millionaire.
- If you see a robin on Valentine's Day, you will marry a crime fighter - maybe they mean Batman!
- If you see a flock of doves on Valentine's Day, you will have a happy, peaceful marriage.
- If you find a glove on the road on Valentine's Day, your future beloved will have the other missing glove.
