

## January Newsletter 2012

### LGA News

Happy 2012! Even though it seems a long way off our new season will be here before we know it. We need the support of ALL LADY GOLFERS if we are to have a fun and successful golfing season! Please let us know if you prefer the weeknight dinner/meeting or the 3:00 p.m. Sunday meeting. Your attendance at our meetings is very important.

Please be thinking of some fun and different games for Tuesday play and be prepared to pitch in and help make this the best season yet!

Thanks

Lisa Dixon, TLGA President

### ***New Committee Formed:***

A group of thirty members have agreed to serve on a new committee, named the *Tuscarora Planning/Vision Committee*. The goal of this committee is to understand the desires of our general membership. Every effort was made to select committee members who would be representative of our club, including full members, senior members, junior members and social members.

In our first meeting on Dec 1<sup>st</sup>, we had a very passionate and lively discussion about the current state of our club. It was particularly refreshing to hear the comments of how, with the recent improvements to our greens and watering system, our club is poised for a rebirth in the coming year. There is new enthusiasm among our members.

WE WANT TO HEAR FROM YOU... Our committee is very interested in knowing your expectations. We have set up an email address, [tccvisions@hotmail.com](mailto:tccvisions@hotmail.com), to receive your comments and suggestions. Your voice will be included in our meeting summaries, which will help the committee understand the expectations of our membership. We hope you will take part in this opportunity to voice your opinion and help us plan the future for Tuscarora. Remember, this is our club and it can be whatever we want it to be.

Listed below are the members of the Tuscarora Planning/Vision Committee. Tell us what you are thinking. Together we will make our club a special place.

John Franklin

Chairman
